The 5 P's: Proper Preparation Prevents Poor Performance "A Guide To A Successful Relocation"

It is often stated in popular culture that moving (and divorce) are two of the most stressful of activities. Fortunately, Eagle Transfer's experienced Account Executives can assist in making your relocation a "walk-in the park" (For help with divorce you need to look elsewhere!)

✓ It is paramount that you have a complete understanding of the inventory to be relocated, and the quantity and level of services your organization requires. Like any other business activity this should be clearly stated in a contract along with all relevant costs.

✓ At Eagle Transfer we are always available to hold Pre-Move meetings with members of your company's Move Team to ensure that everyone knows his/her responsibilities.

✓ Always double (and triple!) check to make sure elevator time is scheduled with building management. Likewise, ensure all necessary insurance documentation is on file, current, and adequate.

✓ It is also critical that the organization has ample insurance for its inventory in the case of unforeseen events.

.....
At Eagle Transfer, we strive to take the time leading up to the move to build an open and harmonious relationship that fosters teamwork and partnering, and ensures a successful, seamless and stress-free relocation.
